

See what we can do for you **now.**

To the office of

With a busy practice to run, you should not have to worry about the time and expense of patient financing. Fortunately, choosing Capital One Healthcare Finance as your primary financing provider allows you to spend your time where you value it most—helping your patients and growing your practice. In addition to our low, fixed patient interest rates, we have some new programs to help you manage your practice more effectively.

New Online Services – Quick, easy, convenient

Our new Online Services program allows you and your staff to further streamline the patient financing process. This new service is easy to use, free of charge and features:

- Real-time patient loan editing
- Streamlined application processing
- On-demand patient loan status and 24/7 document access

No Unnecessary Practice Fees – Do away with needless expenses

As you may know, with Capital One Healthcare Finance you do not have to be bothered with unnecessary practice fees. Unlike other financing programs, there is never a minimum usage fee when you work with us. We offer straightforward terms to you and your patients with no hidden charges, fine print or surprises.

Patient-Friendly Terms – No hassle financing

And as always your patients enjoy:

- Rates as low as 1.99% APR*
- Fixed interest rates for the life of the loan
- Interest-free options where available

Whether you've been using us for years or you're just starting to work with us, you can trust Capital One Healthcare Finance to offer more value—for your patients and your practice, with smart payment plans and choices that make sense. Call us today to get your Free Practice Tool Kit with practice growth tips, marketing templates and patient financing resources. Learn how our patient financing is now even easier, faster, better.

Sincerely,

Scott Simpson

* Rates for our program range from 1.99% APR – 23.99% APR. Upon approval, the Annual Percentage Rate available to your patients will be determined by the terms for which they apply for, their credit standing and the financing program in which your practice is enrolled. These rates are available for a limited time only and are not available in all areas.
